Abirabirma Edhi – Radiance Unto All

Abirabirma Edhi – Radiance Unto All

Congratulations on having cleared your Board Examinations! I am sure you have set your goals high. We at Women's College, are immensely happy in welcoming you to our institution and helping you achieve your goals. Our college, located in the picturesque city of Shillong is managed by the Education India Trust. We are governed by our motto, "Abirabirma Edhi" which literally translates to "Radiance Unto All". Our vision is to inspire and impact the world in a positive way. Women's College today is one of the most recognised names

not only in Shillong but also in the adjoining states of the Northeast and beyond. Here we embrace, accommodate and cherish our cultural diversity. We are the only ad-hoc grant-in-aid college in Meghalaya to have been accredited by NAAC thrice.

From its inception in 1984, the aim of the college has been to impart quality higher education to girls from the Northeast. Our well-placed alumni in India and abroad attest to the role we play in empowering our students with the values and skills to realise their full potential as responsible members of the society.

Helped by its locale in the beautiful town of Shillong, the college attracts students not just from Meghalaya and its adjoining regions, but also from neighbouring countries. This diversity not only enriches our worldview and promotes empathy and tolerance, it also engenders a fertile ground for cross-pollination of ideas. In other words, we have a conducive atmosphere for academics, which is buttressed by our cadre of talented and accomplished faculty. At present, the college offers various courses in Bachelor of Arts (B.A) and Bachelor of Social Work (B.S.W). In keeping with the requirements as laid down by NEP 2020 we have a dedicated Skills Hub center to impart skills training to the students.

Having endured the pandemic, life is slowly limping back to normal. The challenges mounted on us by the pandemic during the last two years only helped us realize our true potential and we rose to the daunting challenge that lay before us. Initially unsure, we soon found our foothold and were having regular online classes. The online mode was then made use of to conduct webinars, seminars, various other competitions such as painting, and story writing competitions. In the spirit of holistic education, our students are encouraged to take part in co-curricular and extra-curricular activities and the laurels that they have brought us are a testament to their enthusiasm with which they participate in these activities.

The infrastructure of the college has been augmented specially to take care of the need that arose due to the current situation; thanks to the infusion of grants from the state as well as the central bodies.

We look forward to having you enrolled in our college and carrying the legacy forward.

Ratnadeep Rm

Vision

We aspire to develop our institution as a centre of quality learning focused on empowering women, in particular the tribal women of the region and beyond, by integrating our academics with research-oriented and innovation-driven exercises designed to make it truly enriching experience. We aim at evolving as a centre of excellence in women education engaged in the task of imparting professionally relevant and academically sound learning ambience that would shape young minds into accomplished individuals of integrity, competence and confidence always ready to meaningfully engage themselves in attending to the multifaceted challenges of life in a rapidly transforming socio-cultural environment with compassion and understanding.

Mission

Our inspiration and dedication are steered by the spirit of our motto, “Radiance Unto All” that means an elaboration of the luminous sphere present in all individuals. Rather than acting merely as a pedagogical laboratory, our mission aims at helping students to discover their true essence that they may gainfully employ in their striving for a quality life. We believe that institutes are centres that equip students with lessons that are basic to the development of a holistic perception of life and prepare them to face the real world in a confident note. Being alive to the rapidly evolving socio-economic environment, the institute constantly emphasises on the need to monitor the nature of lessons imparted. In a country that long ignored the concerns of women as also their education, the founders of this institute envisioned the development of a centre of women education that would cater specially to needs and aspiration of the women from this region as also from beyond it. The institute seeks to promote a culture that respects the poly-dimensional psyche and personality of our vast country as also the feeling that a common destiny binds us with the rest of the country. The institute seeks to instill and sustain this spirit among the women, who, it feels, are fundamental binders of any society.

PROFILE OF THE INSTITUTION

Located at Upper New Colony, Laitumkhrah and operating from a compact, calm, serene and secure campus, Women's College, Shillong, an Education India Trust-sponsored linguistic minority institution was established in 1984. Aided by a band of committed faculty, the institute, since inception, has been striving hard to translate its maxim Abirabirma Edhi (Radiance unto All) into reality through the spread of education amongst women, in particular, the tribal women belonging to India's north-east. Standing tall as one of the premiere institutions in the state of Meghalaya, the institute is privy today to draw students from the neighbouring SAARC countries. Offering regular academic courses of Semester System (Honours) in the Arts and applied stream of studies, the institute, a private aided centre of learning, is affiliated to the North Eastern Hill University (NEHU), Shillong.

In 2008, the college expanded the range of academic programmes it offers through the incorporation of a professional course on Social Work in its programme of studies. Students joining this course exit with the degree of Bachelor of Social Work (BSW) awarded under the stamp of its affiliating university.

Enlisted under the University Grants Commission (UGC) section 2f and 12(B) of the UGC Act of 1956, the institute has been accredited thrice by the National Assessment and Accreditation Council (NAAC).

Being alive to the shifting contours of modern day academics, the institute deems it incumbent upon itself to equip its students with comprehensive acumen and accordingly supplement its regular academic activities by ensuring participation of its students in extra-curricular activities such as seminars, workshops, skill development programmes, debates, sports and cultural events with a view to bring forth the multifaceted potential latent in each one of them. Such activities, the institute believes, go a long way in ensuring harmonious development of its students through the skillful shaping of their spiritual, moral, mental, physical and aesthetic faculties.

Overriding the rather formidable constraints on spatial and fiscal fronts, this institute has indeed come a long way in its journey of transforming itself into a vivid and vibrant centre of learning.

NAAC Accreditation- Cycle 3

On January 2020, the National Assessment and Accreditation Council (NAAC) has re-accredited the college and placed it in Grade B. This institute happens to be the first and only college so far in its category of the grants in aid colleges in the state of Meghalaya to get assessed and accredited by the national body in March 2007.

College Anthem

Amid the green pines
Beneath the azure skies
Stands our alma mater
Women's College we revere
Radiance unto all
Our motto proclaims
For perfection we strive
With hearts resolute and strong (x2)
In pursuit of knowledge
True values we uphold
Holding high our banner
We march ahead with pride
The shelter of our youth
Your ideals we cherish
Your guidance we treasure
Where ever we are
